## Lil' Shrimp's Parade Rules

1. Absolutely NO alcohol is to be consumed by anyone participating in any way in the parade.
2. The floats shall be no higher than 12 feet from the deck, unless otherwise approved in advance by the committee.
3. There shall be mostly small children (ages 6 - 14) riding on the floats.
4. Each float must provide their own pickup truck to pull their float. It is strongly recommended that you have 6 to 8 adults wading along the side of the floats to supervise the children throwing beads. This is for the safety of everyone involved.
5. You must have a 2" trailer hitch on the truck to pull the float, as well as safety chains. All vehicles are subject to inspection.
6. Each float must provide at least a 5-pound ABC fire extinguisher for your float.
7. NO ONE is to ride in the back of any trucks pulling the floats.
8. NO ONE is to be hanging over the side of the floats.
9. Each float sponsor should submit a list of the children who will ride on their float, along with their registration form, to Jimmy Wisner at least 1 week prior to the date of the parade.
10. Procession line up will be on 20<sup>th</sup> Street between Strand and Mechanic. The route will consist of two laps down the Strand Entertainment District. Please be in line up at least one hour before the start of the parade.
11. The drivers of the vehicles must provide a copy of the vehicle's liability insurance as well as his/her driver's license when submitting the registration forms. These copies are a requirement by the City. The drivers of the vehicles are not permitted to throw beads at any time, and **no one is to throw beads out while the parade is at a stand-still.**
12. There will be positively no switching of children on or off of floats during the parade.
13. No animals are allowed to participate in this parade.
14. No 2-wheel bicycles, roller-skates, skateboards or four-wheelers are allowed in the parade.

**\*In order to maintain a safe environment for our children, all rules will be strictly enforced. Failure to comply with these rules will result in your loss of position in the Procession, as well as the opportunity to participate in future events.**

**Our mission is to provide a safe environment for our children, while giving them a chance to enjoy the excitement of participating in the Galveston Island Wild Texas Shrimp Festival.**
